

Quality, Loss Control & Sustainability Policy

Dixie Chemical conducts business in alignment with our vision, mission, and core values.

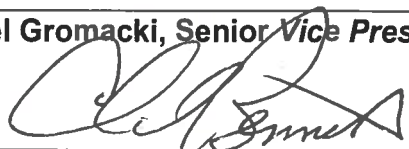

Dixie Chemical is committed to:

- Loss control and continual improvement of EHS&S, Quality, and Energy Performance through robust and efficient integrated management systems.
- Develop, manufacture, and deliver high quality products that meet or exceed customer expectations by involving and training employees and communicating effectively with stakeholders.
- Open innovation and strategic investment to improve energy performance and reduce our business risk and environmental footprint.

Senior Management shall periodically review this policy to ensure continuing suitability for customers and other stakeholders.
