

Environmental, Health, Safety, & Quality Policy

Dixie Chemical conducts business in alignment with our vision, mission, and core values.

Dixie Chemical is committed to:

- Providing a safe and secure workplace and future for our team by ensuring the safe operation of our processes through efficient integrated management systems.
- Compliance with all applicable laws and regulations with company standards developed to drive continuous improvement.
- Being prepared to respond to emergencies effectively and efficiently to minimize any and all potential impact to people, the environment, and property.
- Focusing on operational excellence to provide high quality products that meet or exceed our customer expectations.

Senior Management shall periodically review this policy to ensure continuing suitability for customers and other stakeholders.

William Doherty, CEO
